Vision Board Creative Assignment

Show us what inspires you about Cosmetology or Esthiology

- Choose 4 to 5 pictures from social media/ advertisements/magazines, etc.
Pictures should represent styles that you LOVE!
They can also express what you would like to do once your graduate.
- For each picture, write a short description highlighting why you love the look.
Describe what you like about it and why it is important to learn the technique the artists used to get that look.
- Put all pictures and descriptions in a folder, binder or post on a poster board, however your vision is brought to life.
- Think outside the box! Anything is acceptable!
- Bring with you on the first day to share with your class.
